MONTHLY MISSION for April is Choice Books

CHRIST & HIS SAINTS

An elderly saint found himself ill in another state and far from home; but members of his church visiting the same area rallied to show support when they received word that a hospital stay was in this man's future. Praise the Lord for the way that God works on His children's behalf even through unexpected hardships that we face in life. Praise the Lord for the way He has designed and invited us to be part of His forever family, and that we have the privilege of being extensions of God's comfort and support for friends and loved ones going through difficulty.

Psalms 66:5
